Invoice submission

Whenever possible, invoices should be sent via **EHF/Peppol**. If EHF/Peppol is not available, invoices must be sent as a **PDF** to the relevant invoice email address listed above.

All invoices must include:

- Correct company name and business address
- Supplier name and contact details
- Invoice number and date
- Description of goods or services
- Name of the person who placed the order
- Booking Center, where applicable
- Total amount, including VAT where applicable
- Payment terms

For EHF/Peppol invoices, the buyer reference must be entered in the appropriate reference field.

For PDF invoices, the invoice and any supporting documentation must be included in the same PDF-file.

Invoices without a valid reference may be delayed or returned for correction.
